

Supplemental Type Certificate

Number SR02054LA

This Certificate issued to LifePort, Inc.
1610 Heritage Street
Woodland, Washington 98674

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation Regulations.* *Certification basis is set forth in Type Certificate Data Sheet R00002RD.

Original Product Type Certificate Number : R00002RD

Make : AGUSTA

Model : AB139 and AW139

Description of Type Design Change: Installation of an Emergency Medical System in accordance with FAA approved Master Drawing List for the Emergency Medical System Installation in the AGUSTA AB139 and AW139 Model Rotorcraft, MDL-831-00, Revision J, dated June 12, 2007 or later FAA approved revision. FAA approved Rotorcraft Flight Manual Supplement No. EGR-831-11, dated June 15, 2007, or later FAA approved revision is required as part of this installation.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted rotorcraft model only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

The installer of this STC must ensure that if the life vests have been removed with the seats that a life vest for the occupant of the litter system is installed and available to the occupant.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator
